STATEMENT OF PRINCIPAL

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to: - Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.

- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never are subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation, and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices.
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising, and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and competition procedures, would determine to be neither cruel, abusive nor inhumane.

CONCURRENT CLASSES

FREQUENTLY ASKED QUESTIONS

Q. What are concurrently run classes?

This system allows a show to hold concurrently adjudicated classes at the same time/date in a single arena with identical AHA class codes using two different judges for each class. Horses in Working Hunter classes would still have to be trotted for soundness for each class when required.

Q. Can my show qualify for two different Regions?

Yes. A show utilizing concurrently run classes may qualify for two different Regions. Concurrently run classes qualifying for two different Regions must obtain approval from each Regional Director. Results for one judge will qualify for one region and results for the other judge will qualify for the other. Prize lists must specify the qualifying Region for each judge.

(At this Aurora show – both concurrent show classes will qualify only for Region 17)

Q. If I choose to offer concurrently run classes at my show do I have to run all my classes that way?
