STATEMENT OF PRINCIPAL

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to humane treatment of horses in all activities under its jurisdiction.

EC is committed to: - Upholding the welfare of horses, regardless of value, as a primary consideration in all activities.

- Requiring that horses be treated with kindness, respect and the compassion that they deserve, and that they never are subjected to mistreatment.
- Ensuring that owners, trainers, exhibitors and their agents use responsible care in the handling, treatment and transportation of their horses as well as horses placed in their care for any purpose.
- Providing for the continuous well being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort, sanitation, and safety as a matter of standard operating procedure.
- Continuing to support scientific studies on equine health and welfare.
- Increasing education in training and horsemanship practices.
- Requiring owners, trainers and exhibitors to know and follow their sanctioning organization's rules and to work within industry regulations in all equestrian competitions.
- Reviewing, revising, and developing competition rules and regulations that protect the welfare of horses.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and competition procedures, would determine to be neither cruel, abusive nor inhumane.

Each entry will be allowed a maximum of two people to enter the ring with them and stay with them during the class. Entries in this class will be able to cross enter into the actual walk/trot/jog classes however those classes will be run by the EC rules and so NO one can assist in them.
